

Our Soft Play classes are fantastic fun, with the children encouraged to climb, crawl, jump and roll throughout the class. We ask all Pre-Schoolers to adhere to a set of rules, including a dress code for health and safety purposes but also to ensure your child has the best possible experience.

- Scan your Live active card at reception when entering the venue this allows us to know who has come into the building and that you are here for your session.
- Whilst waiting outside the hall, children should be respectful of other facility users and refrain from running around.
- Buggies and prams cannot be taken into the hall and should be left in the designated area in the reception foyer.
- Suitable clothing must be worn to class no tights or socks please (socks with grips are allowed). Adults and children are required to remove shoes before going on to the matted play area.
- Jewellery and badges should be removed and kept safely by a responsible adult.
- Children should use the toilet and wash their hands prior to entering the play area.
- Play is thirsty work! Children should bring a bottle of water or still juice with them to the session, but this must not be taken on to the matted floor area.
- No food, hot drinks or chewing gum should be taken into the hall.
- Parents/Guardians are responsible for the behaviour and wellbeing of the child in their care at all times while in the Centre and must always maintain supervision.
- Unfortunately, younger/older siblings of those taking part in our Soft Play class cannot join in. The class is strictly for those aged 1-3 years. Younger siblings must be carried in a sling or a baby carrier.
- Due to limits on space in the hall we are limited on the number of parents that can attend with a child. Please note one parent to a maximum of two children is permitted. If you are bringing three children with you, then a second parent must attend.
- Report any accidents to a member of staff, to ensure that we can provide any necessary assistance.
