about our
Fitness Gym

Fitness Gym Information

Equipment

We have a wide range of Life Fitness equipment in our Fitness Room, including 3 Treadmills, 3 Cross Trainers, 3 Bikes and 1 Rowing Machine. We also have an "E-Spinner" bike and a range of resistance equipment and free weights.

Inductions

Please note all customers must have completed an induction at a Live Active Leisure facility before using the Fitness Room. If you would like to arrange an induction please contact reception and we will arrange an induction at a convenient time. Please arrive 5 minutes before your induction appointment to fill in a brief health questionnaire. If you have any injuries or medical conditions that could be affected by exercise, please consult your doctor before you use the Fitness Room.

Clothing

We ask that you bring suitable clothing for your induction and when you visit the Fitness Room - for example, a t-shirt or a vest, shorts or tracksuit bottoms and a comfortable pair of trainers.

Fitness Reviews/Programmes

We can offer a Fitness Programme designed by our qualified instructors and tailored to suit you. You can also book a Fitness Review which will give you an idea of your current fitness levels and will help you set achievable fitness goals. If you would like to book an appointment for a Fitness Review or to have a Fitness Programme designed for you, please contact reception and we will arrange for an instructor to contact you.

Under 16s

We allow children aged 12-15 years old to use the Fitness Room at any time of the day if they are accompanied by a responsible adult who has had an induction. Children aged 12-15 can also use the Fitness Room unaccompanied on weekdays before 5pm and any time during weekends.
