How to Book

We're delighted to announce that camps and sessions can now be booked online! Follow these steps to complete your booking:

- 1) Choose the option that applies to you:
 - a) For linked accounts: login to [your account](#) and select the linked member you're booking for.
 - b) For non-linked accounts: login to your child's account. If they don't have an account create one [here](#).
- 2) Book online by following our Booking Guide Videos:

[Booking by Mobile](#)

[Booking by Desktop](#)

If your child is a new participant you'll receive a Child Activity form which you should complete in advance of the camps/sessions starting.

Please note, whilst you can also choose to book in-person at reception, it is no longer possible to book by phone.

Holiday Camps must be booked in advance. We also highly recommend booking in advance for single sessions to avoid disappointment

Have You Linked Accounts Yet?

If you have an account you should link it with your child's account as this will allow you to log in as yourself online and book classes for them. Our video guides are based on a parent having their account linked to their child's, if you haven't yet done this, please fill in [this form](#) to link accounts. Please note, once you have submitted the form it may take up to 48 hours for the accounts to be linked.
