## How to Book:

Activities can now be booked online! Follow these steps to complete your booking:

**1)** Choose the option that applies to you:

- a)** For linked accounts: login to **your account** and select the linked member you're booking for.
- b)** For non-linked accounts: login to your child's account. If they don't have an account create one [here](#) or see the footer below on how to link accounts.

**2)** Book online by following our **Booking Guide Videos:**

**Booking by Mobile**

**Booking by Desktop**

If your child is a new participant you'll receive a Child Activity form which you should complete in advance of the camps/sessions starting.

Please note, whilst you can also choose to book in-person at your local venue, it is no longer possible to pay for an activity over the phone.

Camps must be booked in advance. We also highly recommend booking in advance for single sessions to avoid disappointment.

Parents trying to book a space under their own name but for their child won't be able to due to age restrictions placed on certain sessions. Please ensure you link your accounts or you log in using your child's PIN. Unsure of PIN please contact: [Leisure@liveactive.co.uk](mailto:Leisure@liveactive.co.uk).

## HAVE YOU LINKED ACCOUNTS YET?

Linking your account with your child's will allow you to log in as yourself online and book classes for them. Our video guides are based on a parent having their account linked to their child's, if you haven't yet done this, please fill in **this form** to link accounts. Please note, once you have submitted the form it may take up to 48 hours for the accounts to be linked.

# INFORMATION FOR YOU:

## Refunds and Cancellations

Some sessions may be cancelled in the event of low uptake or for unforeseen circumstances. In these instances, refunds will be given and we will give you as much notice as possible. If you are cancelling your child's participation within a booked session, 1 weeks notice must be given or the booking cost is non refundable.

## Photography

We may take promotional photographs of the activities taking place. These could be used on our website, social media channels and future marketing publications. If you do not want your child's photograph taken please state at the time of booking.

# INFORMATION FOR YOUNG PEOPLE:

- 1)** Bring water or still juice to each session.
- 2)** Please don't bring your favourite toy, you would be sad if it got lost or broken and so would we.
- 3)** Of course, most importantly, have fun!

**GO FOR  
GOLD THIS  
EASTER!**

## **New Swim Skills 1:**

For brand new swimmers aged 5+.

## **Over 8 Swim Skills 1:**

An introductory level aimed at developing water confidence of children with little/ no prior experience of learning to swim. This class is for children 8 years+. This takes place at the shallow end of the training pool.

## **Swim Skills 1A:**

An introductory level aimed at developing water confidence of children with little/ no prior experience of learning to swim. This class is for children 5 years and over (or who have started primary school) who are new to swimming or for those who are not yet swimming confidently over 3 metres unaided.

## **Swim Skills 1B:**

This class is a continuation of Swim Skills 1A, where children will further develop water confidence and develop core aquatic skills without aids. This class is for children aged 5 years and over (or have started primary school) who can swim confidently for 5 metres on their front and back unaided and do most of the skills asked for in SS1A .

## **Swim Skills 2:**

In Swim Skills 2, children will increase the competency of their core aquatic skills and develop basic stroke technique. This class is suitable for children who have an understanding of stroke technique and who can swim 10 metres Front crawl and Back crawl as well as attempting Breaststroke and Butterfly leg actions. This level may take place in deep water so children need to be both confident in the water and able to tread water when out of their depth.

### Swim Skills 3

Children who are competent at swimming 15m in an 'recognisable' stroke e.g. front crawl, back crawl or breaststroke, will be introduced to a more advanced stroke technique.

### Swim Skills 4

Children who can maintain the correct technique over 25m in Front crawl, Back crawl and Breaststroke and can demonstrate basic Butterfly will continue to develop a quality technique while gradually increasing distance.

### Club Ready

Suitable for children who can demonstrate good technique over 50 metres in Front crawl, Back crawl and Breaststroke and 15 metres in Butterfly.

### 1 to 2 Swimming Lessons

Whether you are looking to build confidence in the pool or perfect your technique our enthusiastic team will help guide, support and encourage you to achieve your goals - fast. Our lessons are open to all ages and abilities. Swimmers are paired with another swimmer of roughly the same age and the same ability.

### Skills Improvement Breast Stroke/Butterfly

These classes are designed to work on the correct body position and leg kick as well as breathing and timing for the swimmer. Ideal for participants of Swim Skills 3, 4 and Club-Ready.

### Diving, Starts & Turns

This is for children who are looking to improve technique, learn to dive and perform competitive starts and turns. Ideal for those in Level 4 and Club Ready.

# GYMNASTICS

19

Whether you are a complete beginner learning the basics or a regular who wants to develop their skills this camp is great fun for all. Fun games and team challenges along with gymnastics on beam, floor and vault makes the perfect holiday activity!
