

AUCHTERARDER BOWLING CLUB

The club received Live Active Sport sport for change funding to help purchase a wheelchair that is self-propelled and suitable for both indoor and outdoor bowling greens. It has variable height settings, is suitable for bowlers of all ages, is easily manoeuvrable and the wide wheels don't damage the green.

The club meets weekly, with sessions for adults and juniors, but also has regular have a try sessions to encourage new members.

CLUB SUCCESSES

Within the club there are wonderful ambassadors, including the ladies National title winner (learning disability), Fiona Driver, and Jamie Leigh, Perth and Kinross Disability Sport Bowls Championship bronze medalist.
