

MEIGLE CRICKET CLUB

“Thank You Meigle CC for the cricket at Blairgowrie High School. It was a lot of fun!”

“Everyone enjoyed the sessions a great deal. Staff who attended spoke highly of just how engage all participants where and we look forward to more cricket.”

DISABILITY CRICKET SESSIONS

The club facilitated inclusive cricket sessions during the day at a local high school for all ages.

These sessions were accessible to all regardless of their membership status within the club.

This happened in order to generate interest for club sessions catered to the wide range of disabilities in attendance

CLUB SUCCESSES

The sessions were a great pilot for the future of inclusive club session that Meigle CC were looking to run. 36 unique participants took part. 26 schoolchildren and 10 adults were in attendance.

There will now be a 45 minute session on a Monday night followed by the ladies cricket session. These sessions showcase the inclusivity of the club and the direction they are taking in being a club for all.
