

PERTH St. Magdalene's Hill Walk

This is also suitable for buggies & bikes.

ROUTE DESCRIPTION:

Distance: 1.5 miles approx
Approx time: 40 - 50 minutes
Terrain: Both rough and smooth surfaces.
Start: Moncrieffe Church Hall, Glenbruar Crescent

- ① Exit Moncrieffe Church Hall and turn left taking the footpath leading up the right hand side of the school to Gleneagles Road; cross over to Glendevon Road.
- ② Walk up Glendevon Road and turn left into the car park on St. Magdalene's Hill.
- ③ Take the right hand track leading up the hill. This is steep so take your time; stop and take in the view. Follow the track until you come to the motorway flyover. Take the footpath to your left and follow the signpost. Look for a marked path on the right approximately 20m beyond the end of the tree line, "path to St. Magdalene's hill".
- ④ Where the paths cross, take the right hand fork down round the hill until the track forks; turn right. **(If you feel up to a detour to take in the view it is worth doing).**
- ⑤ Continue to follow the path down the hill past steps leading down onto Glenturret Terrace. When you reach the information board head right.
- ⑥ This path takes you via steps or a ramp down onto Glendevon Road. From here retrace your steps back to Moncrieffe Church Hall.

This walk is more challenging given the gradient up the hill. You might want to try this once you feel more confident. Remember you can always stop and rest as you head up to take in the view over Perth.
