

# BLAIRGOWRIE Town Walk including Knockie Hill

This is also suitable for buggies, wheelchairs (with assistance) & bikes.

## ROUTE DESCRIPTION:

**Distance:** 1.5 miles approx

**Approx time:** 40 - 50 minutes

**Terrain:** Smooth surface

**Start:** **The Wellmeadow, Blairgowrie Town Centre**

- ① Starting from the Wellmeadow, head up towards the High Street and take a right onto Upper Allan Street. Take your first right onto Kirkwynd.
  - ② Follow the road round back onto Upper Allan Street where you'll turn right and then left onto Burnhead Road. The views half way along over Blairgowrie are lovely on a clear day. Walk along until you reach Newton Street; turn left.
  - ③ Walk down Newton Street and turn left along Newton Terrace to Upper Allan Street. Retrace your steps back to the Wellmeadow.
- ● ● The alternative route is very simple to follow, but requires a stout heart as there is a steep climb up Knockie Hill. This additional walk could be one to aim for, once you are walking regularly and feel fitter. It adds approximately 2 miles to distance and is not suitable for buggies and wheelchairs.

Knockie Hill is close to the start of the Cateran Trail; a 64 mile circular route. 'Caterans' were marauding cattle thieves numbering anything from 50 to 500 fierce warriors. At the top you'll be rewarded with excellent views to the surrounding hills.

## Getting to the start of the walk
